CSCE 235 Introduction to Discrete Structures   Spring 2010

CHECKLIST FOR SUBMITTING HOMEWORK   Updated on Friday, January 29, 2010

Please conform to the guidelines below when submitting your homework. Homework that does not obey those guidelines will be penalized.

- ☐ Always turn in a paper, hard copy of your homework, either printed or handwritten. This requirement applies both to whether you are submitting your homework by webhandin or not.
- ☐ Staple the cover sheet on top of your submitted hardcopy. The cover sheet is available form the course's website.
- ☐ Write your name on the cover sheet.
- ☐ The submitted hard copy must be single sided: Whether your print or you write, please use only one side of the page. (CSE requires us to scan your homework, and the scanner can only scan single-sided pages.)
- ☐ If you choose to use LaTeX, you must also turn in the TEX and PDF files using webhandin.

When in doubt, please email cse235@cse.unl.edu.

Best wishes,
Your committed GTA and instructor
