Game Day 4: Reputation Day Game Package

November 25, 2013

Introduction

Welcome to Soh's Guessing and Reputation Game House. Today, we have some guesses to make, some information to share and gather, some teams to trust and some teams to "lie" to! Your goal is to win the Game Day with best total.

This document is supplementary to Game Day 4: Reputation Day assignment.

Procedure

Use the online website to submit your guesses and view the tallies of numbers, for each round.

If your team forms an alliance with other teams, please submit a signed contract (see Package) to the Game Day Monitor.

Questions:

reputation? How?

1.	Did your team form an alliance with other teams? Why or why not?
2.	Did members of the alliance honor the alliance? Did any team cheat?
3.	Did you make use of your modeling of other teams behaviors in all three rounds to

determine their trustworthiness and reputation, including shaping your team's own
