Activity 1: Read the Generation GPS article.

Activity 2: Come up with two new features that you would add to the Loopt system.

Team Name: _____

* Recommend the closest meeting point for you and your network.

* Turn based navigation

Activity 3: Describe a general GUI design for each of the two features.

* Interactive map with a display window to choose what to do w/ selected people.

* implement Tom-Tom like device.
Accepts destination and route options like fastest time, shortest distance, scenic route, etc.
