

- Activity 2: Come up with two new features that you would add to the Loopt system.
- ① • Enable ^{automatic} blocking ^{of tracking} whenever user enters specific location
 - ② • Text message the user whenever a famous person or a friend is nearby (able to disable this feature)

Team Name: _____

Activity 3: Describe a general GUI design for each of the two features.

①

Automatically block tracking of the following location(s):

Enter Address:

View currently Blocked | Add Another Location

Save

②

Text me when:

Friends are:

within miles

Drop down menu
miles
blocks

Celebrities are:

within _____
