If the team attempts the problem, but does not get it correct, input an attempt with no time. If the team solves the problem, input either the number of minutes it took them to solve the problem, or the time when they solved the problem. (E.g., if the start time was 11:00am and a team got the problem correct at 1:30pm, you can either enter "1:30" or "150".)
